Historic Haida Canoe Visits Minden On Saturday

TWELVE MILE LAKE COTTAGE ASSOCIATION HELD REGATTA

The Twelve Mile Lake Association held a very successful regatta on Saturday, August 5 at the Wedgewood Marina. It was the Lake's first in eight years and Chairman Larry Reer did a fine job with everything going as planned.

A kite flying exhibition was put on by Pawson's Marine with Garth Mole doing the skiing and there were events for everyone.

President Vern Workman presented awards to:

VIMMERS —
years and under:

Boys - 1. Andrew McPherson, Garney Capell, and 3. Doug ickiey.

Girls - 1. Kelly Gough, 2. Kathy Turnbull, 3. Alyson Workman, Anne Freer, and 5. Lorraine Proctor.

years and under:
Boys - 1. Jack Proctor, 2. Gary Proctor, and 3. Ken Bailey.

Girls - 1. Karen Kingston, 2. Cary Robb, 3. Sandra Turnbull.

years and under:
Girls - 1. Cheryl Bennett, 2. Jane Slemmon, and 3. Joanne Taylor.

Boys - 1. Mike Bennett, 2. Mike McPherson, 3. Wayne Bennett.

years and under:
Girls - 1. Kathy Kennedy, 2. Cindy Gough, 3. Jane Slemmon.

Boys - 1. Larry Bennet, 2. Mike Bennett, and 3. Mark Slemmon.

years and over:
Girls - 1. Terri Knight, 2. Patti Knight and 3. Kathy Kennedy.

Boys - 1. Mike Bennett, 2. Jack Proctor, and 3. Ron McPherson.

Long Distance Swim:
Kathy Kennedy, 2. Mark Slemmon, 3. Sandy Gough and, 4. Jane Slemmon.

VIERS —
years and under:

Girls - 1. Cindy Hogg, 2. Tracy Hogg, and 3. Linda Tate.

Boys - 1. Kevin Hunter, 2. John Taylor, and tied for third were Phillip Hubar and Jack Proctor.

years and under:
Girls - 1. Jane Slemmon, 2. Susan Munshaw.

Boys - 1. Dave Munshaw, 2. Mike McPherson.

years and under:
Girls - 1. Terri Knight, 2. Jane Slemmon, and 3. Patti Knight.

Boys - 1. Bill Blackman, 2. Bill Wilson, and 3. Dave Munshaw.

20 years and over:

Girls - 1. Terri Knight, 2. Janet Smith, and 3. Jane Slemmon.

Boys - 1. Rick Vanstone 2. Dave Munshaw.

SAILBOAT RACERS —

1. Dick Munshaw, 2. Fred Baulch, and 3. Dave Bailey.

CANOE RACES —

14 years and under:

1. Mike and Wayne Bennett, 2. Daryl and Kim Workman, 3. Gary and Jack Proctor.

over 14 years:

1. Bill Blackman and Dave Munshaw, 2. Doug Alton and

Tom Horn, 3. Jane and Mark Slemmon.

BOAT RACERS —

10 hp and under:

1. Bill Blackman, 2. Tom Gough and 3. Jeff Wilson.

25 hp and under:

1. Dave Munshaw, 2. Kevin Hunter, and 3. Bill Blackman.

50 hp and under:

1. Al Badgerow, 2. Dave Munshaw and 3. John Johnson.

50 hp and over:

1. Rick Vanstone, 2. John Johnson and 3. Jim McCartney.

BARGAINING TALKS CONTINUE BETWEEN ONTARIO HYDRO AND LOCAL 1000

Bargaining talks between Ontario Hydro and Local 1000 of the Canadian Union of Public Employees continued this week in an effort to end the seven week old labour dispute.

"Before the talks resumed August 1, Hydro management people and Local 1000 executives expressed the hope that the talks would be meaningful and lead to an end to the strike which has placed such an economic hardship upon Union members," said Douglas Campbell, manager of Hydro's Minden area.

The Ontario Ministry of Labor which ordered the two parties back to the table had suspended negotiations June 20, the day before CUPE Local 1000 was in a legal strike position.

Hydro opened the door to reconvening negotiations with a letter to the Union saying that a return to the bargaining table was what the 12,000 Union-represented employees wished. The letter also restated Hydro's position of desiring to return to negotiations at any time without any conditions. In a responding telegram, the Union agreed to reconvene the Union's bargaining Committee.

"Throughout the weeks of strike action in July, CUPE Local 1000 spokesmen had identified job security, a varied wage offer and shift scheduling as crucial issues. However, Hydro maintains that while these

are important, they are only three of many unsettled issues," said Mr. Campbell.

Strike action by CUPE Local 1000 since the talks resumed has been virtually total, with only the staff of 50 at Hydro's Conference and Development Centre near Orangeville and a few technicians on the job," he said.

In excess of 2,000 man-hours of work and wages have been lost by the 12,000 member Local since the strike began on June 21.

Ministry of Labor representatives Victor Scott and Kevin Burkett placed a news blackout on talks when they resumed last week.

"Because of this embargo, no information on progress toward settlement of the dispute is available," said Mr. Campbell.

The last known position of CUPE Local 1000 was a demand for an across-the-board increase of 11 per cent over 1 year plus other items which Hydro says would add about \$40,000,000 to the Commission's operating costs.

Hydro made a wage and benefits offer on May 2 which would give an average increase of 11 per cent over two years, with a three per cent escalator clause increase in the second year if the consumer price index moves up three per cent.

This Haida canoe was built in Queen Charlotte Island, B.C. by Victor Adams, a Haida Indian. It took 3 years to build, from 1968 to 1971. It is the first such canoe to be built in almost one hundred years.

The canoe is very unique. This was the only dug-out canoe designed for ocean travel off the coasts of North America.

It is 27 ft. long and carved from a single log of B.C. cedar. This is the first time any Haida canoe has been paddled in eastern waters.

The Haida will be paddled north to Minden through the Trent Canal and Gull River System. Minden will be the final stop on its itinerary. From there it will be trucked on to the Primitive Craft Museum at Camp Kandalore.

There are several interesting customs involved in Haida Canoe paddling: 1. The canoe is always landed backwards to show those on land that the paddlers aren't going to attack. 2. The paddles are all designed and pointed to use as spears, (just in case). 3. The paddlers rest every 4th stroke to avoid fatigue (a Haida custom).

The Haida's journey began last summer when she was pad-

dled across from the Queen Charlottes to Prince Rupert — 90 miles of open ocean and some of the most treacherous water on the west coast.

From Prince Rupert to Thunder Bay, she was trucked by Shamman Chief Kitpou of the Agonquins. The Ontario Institute for Studies in Education brought it the rest of the way to Toronto and displayed it in the foyer of their Bloor St. building until August of this year.

Last Saturday the Haida was launched on her journey from HMCS Haida, at Ontario Place. The launch was complete with Haida costume, a marching band and a 3 gun salute from HMCS Haida; the trip north began. The event was filmed by CFTO Channel 9 and the Toronto Star.

The Haida will arrive in Minden on Saturday around 5:00 p.m. The trip will end after an appropriate ceremony at the Rotary Park beside the river.

Also that afternoon, some of the Camp Kandalore staff will be on hand with their canoes at the town dock. Demonstrations will be shown and jousting contests. Anyone wishing to challenge them are welcome.

HANDYMAN'S SPECIALS

EAGLE LAKE: 2 storey home located in village of Eagle Lake, full price \$3,500.00

MOUNTAIN LAKE: 2 bedroom cottage located on 65' lot, full price \$8,500.

KUSHOG LAKE: 4 acre lot with 300' frontage, 2 bedroom cottage, year round access, full price \$16,500.00.

HERE AND THERE

with Fenwick Finch

Let's continue with last week's start on "Bring yourself back a-live". The Civic Holiday week-end has gone by and a large number of lives were lost on the highways and by drownings.

The largest percentage of these were a useless waste of life and could have been prevented. The next long week-end, Labour Day should give us an opportunity to save a few lives. Drive with some common sense and you may live a lot longer.

There is another important change that hits you when you drive at high speed. The physical change comes to you when you experience speeds of over 60 to 70 miles per hour — you have a different experience than when you are driving at 40 m.p.h. The increased speed blurs your sense of timing and your driving techniques. What you were able to do easily at 40 now becomes highly complicated, you only have a fraction of the time to make a decision and act on it. At 70 miles plus the average driver is helpless in ANY emergency.

One of the things that happens to you is your peripheral vision. When you are standing still it may be as high as 90 degrees, at 60 miles an hour it is cut to below 40 per cent. Everything along the roadside becomes a blur. The majority of us judge our speed by the fixed objects we pass, that's where we have the problem, the faster you go the less aware you become of your speed.

Estimating the speed of vehicles in front of you cause a great many accidents. A miscalculation at 35 miles per hour only results usually in a crunch but at 70 miles it invariably ends up in fatalities. The rear end collision at over 40 miles per hour because at high speed the average driver doesn't seem to be capable of making the necessary turn in time to avoid the collision.

There is so much to be said against high-speed driving — but no one will listen to you, everyone drives on the theory, he has the necessary skills and it can't happen to him — until an emergency arises and he suddenly finds out, too late, that his skills were not as great as he thought. Now, the sad part of this is — he may take an innocent bystander with him into the great beyond.

Here's a few things to think about that might — just might save your life.

When you pass a car or truck figure they are going at least 10 to 20 miles slower than you are.

When you pull out to pass — give yourself lots of room passing a car at 40 is the same as passing 18 cars in a row — imagine what you're up against at over 60.

Stopping on a crowded highway at night pull off the road and turn out your lights.

Stopping is another problem — at 70 miles per hour it takes about 320 feet and that's quite a distance.

Never back out onto a high speed highway.

There are so many small things that could save your life — surely it's worth while thinking about it. Remember at 50 miles an hour your chances of staying out of an accident are five times as good as when you exceed 50. If you do get in an accident you have three times as good a chance of coming out alive. Drive defensively and you'll live a lot longer — after all, there's lots of time and you only have one life — take more time, drive slower and you'll last longer.

Regarding television, think of this — "most of us have to go sometime, but, most of us go during the commercials."

Fenwick

LETTER TO THE EDITOR

Box 205,
Minden, Ont.

Dear Sir:

A grave absence in your newspaper has made itself apparent of information on Minden's long awaited sewage system.

The village appears to have a propensity to ignore its only true natural asset; that is, its environment in favour of capital producing and expending projects which do little to enhance the true character of our area. A natural environment will continue to become more valuable in the future and we as astute citizens must constantly protect and preserve such a resource base.

Yours truly,

Gordon Graham.

KAWARTHA DOWNS

ATTRACTS LARGE CROWD

With a mutuel handle of over \$150,000 for the first 3 nights and attendance of over 6,700 people, Kawartha Downs is well established as trotters and Pacers take to the track. Withstanding opening jitters, the anxious crowds packed the new facilities to the rafters, causing pari - mutuel wagering in the Kawarthas to take an all time high record for wagering.

After this most successful full week of operations, Kawartha Downs has two action packed cards awaiting the bettors for this coming Thursday and Saturday. Race Secretary Harry Wilford, has Hi Cap, driven by Ed Stanbury, in the first half of the double and Gentry McKylo driven by Oscar Burrison from Harwood as the second race favourite to take the double on Thursday. The ninth race has shaped up to be a hotly contested event. Hempsted Stan, driven by Al Nicholls and Eastwood Volodios, driven by Sebastian Misseri as the one - two combination in the preferred pace. Sebastian Misseri won his first race last Thursday night as a harness driver at a pari - mutuel event.

Saturday's card features trotter, Trader's Midnight, driven by George Farance in the third race trot as well as Guy La Rush's two drives, the first with Adios in the fifth followed by Darlos Prince in the seventh. Mooreland's Jean driven by Nelson Cochrane in the 8th race trot is favoured over Papakomeka driven by Retta Herington.

Racing begins at 7:30 as the first race post with gates open at 6:30.

SELECT COMMITTEE

OF THE LEGISLATURE

ON THE ONTARIO MUNICIPAL BOARD

INVITATION TO SUBMIT WRITTEN BRIEFS

On June 30th, 1972, the Ontario Legislature appointed a Select Committee to examine, inquire into and report upon the Ontario Municipal Board and to make recommendations on: (a) the purpose, object and functions of the Ontario Municipal Board. (b) the jurisdiction of the Ontario Municipal Board. (c) the structure and organization of the Ontario Municipal Board. (d) the procedures and practices of the Ontario Municipal Board. (e) the procedures by way of appeal from the orders and rulings of the Ontario Municipal Board, including appeals by way of petitions to the Lieutenant Governor in Council. (f) the relationship of the Ontario Municipal Board in the discharge of its responsibilities with the Provincial Government, local government and the individual citizen.

The Committee invites written briefs from individuals and organizations who may wish to present information, opinions or suggestions regarding any of the above matters relating to the Ontario Municipal Board.

Briefs must be submitted by September 15th, 1972 to the Clerk of the Committee Box 233, Main Parliament Building, Toronto 182, Ontario.

John P. MacBeth, Q.C., M.P.P.,
Chairman.

Registration No 0936
Thursday, August 10th., 1972

LETTER TO THE EDITOR

I hope you don't resent my asking for back copies when they go astray, and I thank you especially for the copy of the 13th of July.

The items about the loons was of particular interest. For the first time, on a sandspit just a hundred yards east of my cottage (which is on the end of the point between Moore's Lakes) a pair of loons nested and produced two young.

Unfortunately, this was on the one weekend I was unable to be at the Lake but had friends using the cottage — sitting in the sun on the steam bath dock, when the two elder loons surfaced about fifty feet off shore. Within seconds a fast convertible top outboard came racing at high speed around the points, aimed at the loons and killed one. By the time a boat could be got off the dock across the point this craft — (the young people in it were drinking on board) — had disappeared at high speed down the Gull River. I arrived the following morning, and searched as far as Elliot's Falls for a boat answering the description given me, but could not locate it. It may have come from the trailer camp which is a mile or so south of the entrance to the river. Naturally, no one got the number of the boat — it really is impossible to see one, and until the attack no one paid any attention to the boat, as there is a great deal of boat traffic going by at all times.

A member of the Moore's Lake Association contacted both Lands and Forests and the OPP. Since that time the OPP has done a great job of policing the lake and river and has found many crafts who are not properly equipped with life-saving equipment etc. So we are getting some action, thank Heaven.

Incidentally, the formation of this Association years ago was for the purpose of preventing pollution (water samples are taken faithfully each week) and the amount of garbage floating and tossed ashore has been cut down considerably.

Personally, I am dedicated to keeping our shoreline; nearly the entire length of the east side of Moore's Lake; as close as it can be prior to the influx of both cottagers, and the east side of the point which is the west side of East Moore's Lake within a few hundred yards of the 6th Concession in the same condition.

Anything that can be done by you to keep pounding away at the ecology theme is a great public service.

Yours very truly,
Chris Wahlroth.

EDITORIAL

with Al Greir

ABOUT PEOPLE AND THINGS

We took in Summersounds '72 staged at the Haliburton High School on Friday evening of last week. A tremendous crowd was on hand, as it seems the young people are attracted to this type of entertainment, and feel their in, if in attendance. One thing we noticed, the older generation gave much more of their attention to the production than the younger set. The teenie boppers, or the bubble gum crowd, whatever you prefer to call them, seemed more concerned in moving around, talking, and in general, didn't really appreciate the music. To tell you the truth, I wasn't impressed with the entertainment either. One or two talents struck me as being fair, but the rest left something to be desired. If this group was picked from 500 singers and instrumentalists, I would hate to hear the others. However it was an outing, and I enjoyed the activities of the crowd. A new employee on the presses at the Progress is **DON GILCHRIST** of Pembroke, Ontario. He is expected to move here shortly, and brings with him a great deal of experience. The Minor Ball Tag Day was a big success last weekend. **LARRY SCOTT** can be congratulated on a fine effort. The hockey players can be congratulated also for they took in \$114.00. Taking after his father **RON**, **ROBBIE WRIGHTMAN** sold the most tags, bringing in \$35.00 himself. Had a great evening recently with **KATIE FISHER** and some of the gang from Deep Bay Inn. Katie is a charming lady, with lots of life and fun in her — she along with her friends are regular Bingo players on Thursday night. Had quite a bit of static from last weeks column about Hydro. All I can say, it is just my opinion. The sooner employees wiser up to what side of the bread the butter is on, the better off everyone will be. Unions had their place at one time, but they are like most good things, they over extend their welcome. That great politician and sports enthusiast **GRACE SIMMONS** of Kinmount, was in recently to order draw tickets for the Irondale Community Center. She is one of the big supporters in that area and can be commended for doing a fine job in her many efforts. Just to get back to Unions for a minute — the Real Estate industry may lose many of its salesmen as a result of an Ontario Labor Relation Board judgment. This Union is a branch of the Office and Professional Employees Union, and from all reports will put an end to the high commissioned aggressive salesmen, while at the same time will put an end to dead-wood salesmen, hanging around the office. This same thing happened in the car business a few years ago now it looks like it will plague the Real Estate. It is too bad, the Real Estate business has made this country very prosperous over the years, now the incentive will be taken away — at least that's the way I see it. A couple of prospective Rotarians out Monday **ED PARGOLAS** and **REV. ANDREW HUNTCHISON**, the latter was our guest speaker on Monday and gave a very interesting talk on his recent trip to Europe. A couple of gals who have done a good job this summer, is our Playground supervisors **LOUISE PRITCHARD** and **NORMA SEDGWICK**. Hats off to **PAT HARRINGTON**, this industrious young man is in the ice business, a product which was needed in Haliburton County.

ANOTHER HOLE - IN - ONE

Paul Riddell of Madison Hts. Michigan are guest at Wigamog Inn. Mr. Riddell aced the Par 3, 164 yard 6th hole at Minden's Blairhampton Golf Course. The ace was put in with an 8 iron. The shot was witnessed by Bill Donaghey and Vern Riddell.

This has been the second ace this season at Blairhampton on the 6th hole.

SIR SANDFORD GRADS FIND EMPLOYMENT

A recent employment survey by Sir Sandford Fleming College shows an increase since mid - June of over 15 per cent in the number of post - secondary graduates with jobs.

College placement officer Skip Triplett said 82 per cent of the business graduates looking for work were employed while 72 per cent of technical graduates were in the same position.

The June tally showed an overall total of just under 5 per cent of Sir Sandford's business, technical, general and applied arts, and natural resources division graduates with full - time jobs, which was considered a reasonable statistic at that time.

The latest survey places the overall figure at 66 per cent. Mr. Triplett said only full - time jobs related to graduates' College training are included in the employment figure. Those with jobs in other fields or working part - time are considered unemployed for statistical purposes.

Sir Sandford graduated 443 students from two and three year post - secondary programs in May.

SPORTS CORNER

with **CLIFF BURKE**

Haliburton Advance To Finals

The Haliburton Huskies have advanced to the Haliburton County Senior Softball finals on the strength of their 7 - 5 victory over the defending league and play-off champions of the past two years, Minden Merchants. The Huskies won the best of five semi-final series in four games.

The fourth game was played in Haliburton before the largest crowd of the season on Tuesday evening.

The game started off as if the Merchants were going to run the Huskies right out of Haliburton. They forged into a four nothing lead in the first inning. However, the Huskies were not to be denied this series as they stormed back with three in the bottom of the first. Allowed Minden one more run in the second and then took over with one themselves in the second and three more in the third and one in the fourth. They then held off the Merchants in the final three innings when they left the bases loaded once and two on in the seventh. Brian Walters and Cliff Burke lead the Huskie attack with two runs batted in each.

Who's The Best?

Which team is the best in Minden? The Minden Merchants. The Stedman Raiders. Well folks you'll be able to see this summer. The two teams are playing a four out of seven series starting Monday, August 7. The second game will be Thursday August 10th, with the next two August 14th and 16th. The winner of this series picks up \$75.00 and double if one team wins the series in four straight. Come on out and cheer for the team you like the best, should be a great series. Just for the record, Stedmans have defeated Minden four out of five this season to date, the last four in a row.

O.A.S.A. MINOR SOFTBALL PLAY-OFFS COMMENCE

On Monday evening in Minden the Minden Bantams will play their first O.A.S.A. play-off game against Port Hope. The game will be played at the fairgrounds at 2.00 p.m.

On Wednesday evening at the fairgrounds, the Minden Novices will also get their play-off underway when they host a team from Lindsay.

Lets have good support for these teams folks.

The Stedman Raiders first opponents in the All-Ontario playdowns, will be Mount Albert. The Raiders will play the first game in Mount Albert on August 28th, with the second game here in Minden the following week. The home park of the third game, if necessary, will be decided by the toss of a coin.

Haliburton Lost To Harcourt

The Haliburton Huskies travelled to Harcourt to play the H & W Lumber Kings at their summer Fair. The game was played under the lights at 8.00 p.m. The Lumber Kings proved to be the better team on this occasion defeating the Huskies 8 - 3. The score really doesn't represent the play of the two ball teams. An explanation of the above statement would probably fill a book so we won't go into it. Anyone who was at the game will know what I mean.

The Huskies and the Lumber Kings will be playing a series after our play-offs are completed.

DOLLARS AND GOOD SENSE

by Willicam J. Martin

Mr. Martin serves as special consultant to Avco Financial Services. All questions should be sent to him at P.O. Box 5875, London Ontario, Canada. Those containing a name and address will be answered in this column or by direct return mail. No names will be used in print.

With all the talk about technological developments and changing life styles, it was interesting to see the result of an 18-month study which finds that life in 1980 will be about the same as today.

Scholars from Michigan State University, the University of Chicago, the University of Wyoming, Indiana University and Harvard and a marketing executive from Whirlpool Corp., conducted the study on consumer environments and life styles of the 1980's.

The report says that despite all the attention being given to changes, the most striking indication is that life styles and value of various social classes will demonstrate great stability.

IN MEMORIAM

Mr. W.E. (Bill) Johnson of RR 2 Minden, Hall's Lake, passed away at Western Hospital in Toronto on July 6, 1972. He is survived by his wife, Elizabeth, a daughter Dorothy, (Mrs. Fred Warburton) of Toronto, and a son Ralph of Fort Erie, Ontario.

Mr. Johnson was born at Hall's Lake and lived here for the first 18 years of his life. He then went to Toronto where he worked as an automotive

BAYSVILLE HAS GOOD CUB

Baysville, famous for its many private gardens, well tended parks and public lands, sparks its youth to neighbourhood action. A harassed storekeeper who has been unable to clear away the debris left by the former owners was relieved by Arthur Perreault, a young Cub of the Baysville pack. After a couple days of hard work, one of the neighbours nominated the property for the Baysville Horticultural Society's "Most Improved Property Award."

Townships of Anson, Hindon & Minden Auditors' Report 1971

To: The Members of Council, Inhabitants and Ratepayers of the Corporation of the Townships of Anson, Hindon and Minden.

We have examined the 1971 financial statements of the Corporation of the Townships of Anson, Hindon and Minden and its local boards, which are listed on the attached Index. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Townships of Anson, Hindon and Minden and its local boards as at December 31st, 1971 and the results of their operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

	11,601	11,601
	110,916	131,267
Net long term liabilities		
	277,251	213,327
Surplus deficit and unapplied capital receipts	40,257	22,565
	428,424	367,159

He leaves his brothers Ken, Jack and Harold and a sister Edith Miller in Minden, another sister Anne Thobald of Portland Oregon and Sadie Farrey of Calgary, Alberta.

A neighbour of Bill's, Mr. Bill Watson has written a little poem as a tribute to Mr. Johnson:
He ferried out at pitch of night
On ebb tide's sweeping bore.
His eyes beheld a welcome light
Upon that other shore.

STATEMENT OF CAPITAL FUND OPERATIONS

FOR THE YEAR ENDED DECEMBER 31, 1971

Unfinanced capital outlay (Unexpended capital financing) at the beginning of the year	13	13
Capital outlay		
General government	2,148	1,055
Protection to persons and property	18,400	
Public works	24,682	15,359
Sanitation and waste removal	72,566	
	117,796	16,414
Capital Financing		
Contributions from other governments (O.W.R.C.)	72,566	
Contributions from the revenue fund	45,230	16,414
	117,796	16,414
Unfinanced capital outlay (Unexpended capital financing) at the end of the year	13	13

Total charges for the year for net long term liabilities were as follows:
Principal payments including contributions to the debt retirement fund of Ontario Water Resources Commission
Interest

\$ 6,915
16,504
\$ 23,419

Of the total charges shown above, \$9,190 was paid from the revenue of the municipality and is included in expenditure, classified under the appropriate functional headings, and \$14,229 was recovered from the municipal enterprises for which the related net long term liabilities were incurred.

2. BASIS OF CONSOLIDATION

The Consolidated Balance Sheet reflects the assets and liabilities of the revenue fund, the capital fund, and all reserve funds of the municipality. Trust fund assets administered by the municipality amounting to \$63,639 have not been consolidated nor have the assets and liabilities of any local boards of the municipality.

3. NET LONG TERM LIABILITIES

Total long term liabilities incurred by the municipality and outstanding at the end of the year amount to \$456,868

In addition, the municipality has assumed responsibility for the payment of principal and interest charges on certain long term liabilities issued by other municipalities. At the end of the year, the principal amount of the liability is 49,850

On the long term liabilities shown above, the responsibility for payment of principal and interest charges has been assumed by others for a principal amount of (201,556)

The total value of sinking funds and the balance in the debt retirement fund of the Ontario Water Resources Commission which have been accumulated to the end of the year to retire the outstanding long term liabilities included above amount to (27,911)

Net long term liabilities at the end of the year \$277,251

4. CAPITAL OUTLY TO BE RECOVERED IN FUTURE YEARS

Some capital outlay does not represent a burden on general municipal revenues, as it is to be recovered in future years from other sources. Municipal enterprises

GROW YOUR OWN SHRUBS

If you want a flowering shrub like one you have admired, why not grow it yourself? Russ Gomme, horticultural specialist, Ontario Ministry of Agriculture and Food, says that it can probably be propagated by taking cuttings. Nearly any flowering shrub will root this way.

The first step is to prepare a small area in the garden for the young plants OR use a wood box at least 6 inches deep. An ideal soil mixture is sifted sand and vermiculite. Some shredded peat moss is also good. Mix it well then tamp to a level surface.

Take cuttings from healthy mature plants. They can be pulled from the shrub easily. Use your thumb and forefinger to pull away side shoots growing from the main stems. The butt - end will contain wood from the previous year's growth. To prevent withering, place the cuttings in a pail of water and plant as soon as possible.

Thoroughly soak the soil and insert each cutting as deeply as possible. At least half the cutting should be under the soil surface. For the next 3 to 4 weeks, keep the soil damp. During hot weather, the cuttings can be shaded with a sheet of burlap to prevent wilting and drying.

The cuttings should be rooted in about a month. A light application of fertilizer will help feed the new plants.

The new shrubs should be left in the planting area until next spring, to allow them to develop a good root system.

ABOUT THE TOWN

With Jeanne Sears

Sincere sympathy is extended to the Harry Earle family on the death of his mother Mrs. Henry Earle of Badger Newfoundland. Harry left by plane on Thursday to attend her funeral.

A little excitement over the Holiday weekend; at one time a car broke into flame and later some dynamite was exploded near a camp at Blairhampton.

There was the Voycey Family picnic on Sunday at the Joe Voycey's, Blairhampton, at which some 65 members were present and enjoyed the delicious luncheon and visit with relatives.

One of the busiest places in our village for the summer has been the water fountain near the Post Office where visitors could easily get our excellent water for their homes or cottages.

There was a Sidewalk Sale beside Welch's Store last Saturday where bargain prices were offered to buyers.

Sincere sympathy to the family and friends of the late Barney Walker whose funeral was last Thursday.

Miss Deborah Hewitt was the recipient of a shower of gifts last Thursday night at St. Paul's Parish Hall prior to her wedding.

The Playground activities carry on still at the Public School and these are inside on rainy days. Takes care of the question for youngsters of "What is there to do?"

Those from the area attending the wedding of Mr. and Mrs. Thomas Sword (nee Donna Bethune) at St. Thomas Anglican Church, Ullswater included Mr. and Mrs. Angus Coulter, Mr. and Mrs. Harold Coulter, Mrs. Wm. Callow, Mr. and Mrs. Floyd Miller, Mr. and Mrs. Leslie Coulter and Mr. and Mrs. Wilfred Ackerblade.

Persons in out-of-town hospital include Miss Jane Whistle at Ross Memorial, Lindsay, Mrs. Fred Reynolds at Hillcroft Hospital Bobcaygeon, and Mrs. Ed Harding Room 218 Ross Memorial. All their friends send good wishes for their speedy recoveries.

Hint of the week — If you wish to have your recipe handy, use one of those snap clothes pins with a hook and hang it at eye-level on the door handle.

Live theatre at the High School Auditorium Haliburton next Monday night is another comedy "LuvLuv" time 8:30.

The Pioneers would have shed big tears
And throw away their axes,
If in a dream they'd caught but a gleam
Of what we pay in taxes.

The holiday weekend was really busy with some visitors on their way home and others arriving. Weather a little on the cool side.

Cheerio until next week.

Six ones equal two times three

Gather around all ye fiddle fans — it's August, and time once again for the 22nd annual Canadian Open Championship Fiddler Contest — the biggest event of its kind in the world! And from Shelburne, Ontario, Saturday, August 12, CBC Radio brings you all the excitement of the finals, plus Tommy Hunter, the Rhythm Pals, fiddler Al Cherney, the Allan Sisters and comic Vince Mountford. It's the 22nd year for the big contest, co-sponsored by the CBC and the Shelburne Rotary Club, which this year adds a new sponsor. Air Canada will donate a pair of tickets to the grand winner to any destination of his choice in the Caribbean. Hence, this year's theme is 'Play Now — and Fly Later!'

Indications are from the entries so far received that the number of contestants will break all previous records. Tickets for the finals have long been sold out. The Shelburne Arena is now bursting at the seams, because of the growing attendance and popularity of the Fiddle Contest, and plans have been drawn up for a spanking new arena, this time with rubber walls!

Also on August 12, CBC Radio will be on hand for live coverage of the final day's play of the Canadian Amateur Golf Championship from Earl Grey Golf Club in Calgary. The defending champion is Dick Siderowf of Easton, Conn.

Film critic Gerald Pratley has a busy week coming up on CBC Radio. On Between Ourselves, Monday, August 14, he's prepared a documentary on the National Film Board which has undergone a number of changes in the past year or so including a change of director in the person of Sidney Newman. The program looks at the present and future direction of the new NFB.

And on CBC Tuesday Night, August 15, Pratley reports on the first film festival ever held in an African country. The festival, held in Addis Ababa, was attended by representatives from Senegal, Kenya, Malawi, Ghana and Nigeria.

Remember Alice Faye? Remember When does, on Sunday, August 13, when it looks back in the early years of stardom of the blond singer who became 20th Century Fox's top female box office attraction.

ONTARIO

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

Ministry of Transportation and Communications

In the matter of an application by the Minister of Transportation and Communications for approval to expropriate in the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

For the purpose of acquiring sufficient land to widen Highway Number 35.

Notice is hereby given that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

The Approving Authority Is
Minister of

Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications'
W. G. Wigle, Director,
Right-of-Way Branch

NOTES:

1. The Expropriations Act, provides that,
(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,
(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and
(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows:
In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario, being part of Lot 12, Concession 10, designated as Part 6 on Ministry of Transportation and Communications' Plan P-2904-86 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-261. This Notice first published on the 3rd day of August, 1972.

NOTICE OF PUBLIC MEETING

SELECT COMMITTEE ON LAND DRAINAGE

By resolution of the Legislature of Ontario a select committee was appointed on June 30, 1972 to examine, study and inquire into the following matters regarding land drainage in Ontario:

- (1) The objectives of land drainage as an agricultural practice and the benefits to be derived from such practice.
- (2) The associated problems of competing land use in the urban fringe and in wetlands, as influenced by land drainage projects.
- (3) The problems of public interest in land use over the drainage of private lands by individuals.
- (4) The prior evaluation of the benefits and costs of a drainage project.
- (5) An evaluation of the petition procedure for initiating a drainage project.
- (6) A review of the construction improvement and maintenance procedures under "The Drainage Act" in achieving the objectives.
- (7) A review of the appeal procedures under "The Drainage Act".
- (8) A review of the financial procedures and assistance under "The Drainage Act" and other drainage programs.
- (9) A study of the costs of land drainage and what influences such costs and how they may be reduced, i.e. engineering costs, etc.
- (10) An evaluation of construction practices in general and erosion and weed control of drainage ditches in detail.
- (11) A review of the administrative practices and methods in carrying out responsibilities under "The Drainage Act".

After due study and consideration to recommend such changes in the laws, procedures and processes as in the opinion of the Committee may be necessary and desirable.

The Committee has the intention of visiting all areas in the Province and to hold public hearings on the questions associated with the above terms of reference.

This therefore, is to invite all interested parties, individual or otherwise, to indicate to the Committee, by (AUGUST 15, 1972) their intention to submit written briefs or their desire to attend the hearings and make oral representations.

The response to this invitation will determine the times and places of hearings. A written notice setting out the time and place of the public hearings will be given as soon as possible to all persons who have filed notice of intention to make written or oral submissions.

Lorne Henderson, M.P.P.

Chairman

Select Committee on Land Drainage
Box 201

Parliament Buildings
Toronto, Ontario.

LETTERS TO THE EDITOR

Dear Mr. Greir,

Is it possible to write a piece in your paper concerning the Haliburton dump.

Two weeks ago, there was a large collie hung by the neck in one of the old cars there.

And then to top things, this week, Mrs. Art Ward of Wigamog Inn, while showing some guests our beautiful County, stopped at the dump on hearing noises. She investigated and found four Labrador pups approximately a day old, in a plastic bag, one of which was already dead. They are now living at Wigamog Inn, where thanks to Dedire Short and Bob Billinghamurst, they are now doing fine. But this is not the point.

What of all the animals not found until it's too late.

There must be something done.

I think others should know what's happening in our community.

Thank you,
S.M.M.

LES BELLES JEUNES FILLES

Baysville is to select its young ladies to represent them as their Beauty Queen in the Muskoka Calvacade Colours. Miss Baysville graces the float to honour this area. The Lions Club are sponsoring a special dance August 12th at the Baysville Community Centre for the event. Music is to be supplied by Ramblin' Lou's Orchestra. Their standard bearer is to compete for "Miss Muskoka" at Huntsville, October 1st.

ON AUGUST 15, 1972

MINDEN PLAYGROUND

The month of July has passed quickly and now we are into August, our second and final month for the Minden Playground this year.

August has started out to be a busy one for the children. Thursday, August 3 we had an excursion to Twelve Mile Lake. The weather wasn't as nice as it could have been - in fact it was rather chilly for an afternoon at the beach, but once the children were wet, everything was grand. Special thanks to the mothers who supervised: Mrs. Dube, Mrs. Legge, Mrs. McClasky, Mrs. Morris and Mrs. Hutchison.

This Thursday, August 10, the children will be working together to provide entertainment for everyone. The Place is at the Minden Public School and the time is 1:30 pm. Everyone is welcome and there is no admission charge.

Come out and see your kids perform. If you have no children coming to the playground, come out and see what the rest of them are doing. This entertainment is just for you.

There will not just be a Talent Night for the public at the Playground but also a Penny Carnival will be held. This event will be Thursday evening August 17. Come and be a part of the carnival. Try your luck at the games. Remember, it is only for pennies. There will be a Haunted House also for those that are brave enough to face the horror of the unknown. After the activities, there will be a Miss Penny Carnival contest. Girls from 4 to 6 can enter.

Let's see everyone out and help make these events a success.
